Robin Andrews
Taylor Kane
Thalles Pereira
Derek Sikes
Joey Slowik
Julie Riley
Dan Bogan
Mike Baldwin

2023 Business meeting: called to order at 2:49 pm

Treasurer report: (Roger Burnside)

Northrim Bank Balances as of 2/17/2023

Total amount in checking: \$939.90

Total amount in JumpUp CD: \$7235.59

Discussion:

Alaska Science fair

- We need a replacement for the bioquip gifts that used to be awarded, which were ~\$25
 - (Julie Riley) Nasco has a student entomology kit but it is more expensive.
 - (Taylor Kane) It would be good to have a physical gift instead of a gift card

Motion to just give \$25 cash.

- 11 in favor.

Motion passed.

Judges for the upcoming Science Fair will be:

- Anchorage - Dana
- Fairbanks - Derek, Taylor or Thalles
- SE - Dana or Liz

New logo/t-shirt:

- (Taylor Kane) It would be nice to have stickers / t shirts, which could be a potential source of extra income.
 - We have the option of selling t-shirts with our current logo, or creating a new design for the stickers/t shirts OR a new design with the old logo on the back/sleeve.
 - (Robin Andrews) we could also have a contest for designs (community involvement).
 - We will form a committee to decide on a artist/new design.
 - Committee: Taylor, Sayde, Dana, Roger, Thalles
 - We will set aside \$600 to pay for a new design (Roger Burnside)
- Once a design is decided on, we will sell T-shirts and stickers through an on-demand online option (maybe cafe press- this is what we used to sell through, or teepublic).
- Motion to vote on having a committee to decide on a new design, which will be presented to the society once we have it, and be used on stickers and t shirts.
 - 12 in favor, 1 against, motion passed.

Newsletter ISSN/Databasing:

- (Thalles Pereira) it would be good to have an International standard serial number for the AKES Newsletter.
 - after discussion, it is unclear if there is an advantage to having this
- (Robin Andrews) it could be good to have the newsletter database with the UAF Library, so it is available in perpetuity.
 - motion to database the newsletter with the UAF library:
 - all in favor
 - Motion passed, Robin will look into it.

Funding for travel:

- Roger Burnside requested funding to help cover his trip to Fairbanks for the AKES meeting. This is unprecedented, and is not clearly covered within our bylaws.

- Broadly, funding for meeting expenses are not covered at all in the bylaws. For the 2023 annual meeting, the only additional expense would be food/coffee the president bought.

- (Kane, Wenninger) In the future it would be good to set up a google form for travel funds (set amount or as needed, a little for many people or a lot for one), to be determined before the meeting, and accessible to all society members.

- Motion to vote to approve funding for meeting expenses: food, travel for Roger to meeting (\$350), and for the board will meet for how/when we reimburse officers, presenters etc. before next meeting.

- Motion passed: 9 in favor, 2 against

Social media

- Derek Sikes and Dana Brennan will continue posting on the Facebook account.

- Members can funnel more content towards them to be posted.

- Dana is reaching out to Sydney Brannoch about Twitter activity.

Investments

- For more growth, we could invest in a MP63 DRIPX fund.

- for this account, we need 3 signers at least

- Roger Burnside, Matt Bowser, Sayde Ridling, Mike Baldwin will all help with this.

- We still need to check in with the IRS about what would change if we did this.

- Roger Burnside will continue working on them, along with the other volunteers.

Student Award: Robin Andrews!

- Roger Burnside will mail her a check

New Officers:

We will be retaining all officers in their current positions:

Dana Brennan (President)

Robin Andrews (Vice President)

Roger Burnside (Treasurer)

Taylor Kane (Secretary)

- Motion to keep the same officers:

- All in favor, motion passed

Move to adjourn meeting

Meeting adjourned 4:27 pm
